Study Progress

Brian Weber presented collision diagrams of 3 intersections.

- A) 6th and Salem. He reviewed data from 2001,2002 and 2003.
- B) 6th and Union. He reviewed data from 2001,2002 and 2003.
- C) Schuyler & 18th Street. He reviewed data from 2001,2002 and 2003.

Sallie Fahey asked what conclusions could be drawn from the information just presented.

Brian Weber stated that there were a large proportion of right angle crashes

at 6th and Union and 6th and Salem.

Doug Poad asked Dan Auckley about the status of the traffic lights.

Jeanette Bennett replied there are no lights at these intersections.

Sallie Fahey asked if more should be done with this information.

Doug Poad suggested that Opal Kuhl review this intersection data because it may qualify for HES funds. He mentioned that there was one more study to complete for the intersection of Kossuth and 26th Street.

Deputy Chief Chris Leroux joined the meeting completing the quorum.

Doug Poad stated that the find EIS for Hoosier Heartland was received Friday November 12, 2004. He said that it has not been published in the Federal Register yet. He explained that the comment period is open to December 15, 2004. He stated that they hoped a Record of Decision would be made shortly thereafter.

An Administrative Committee meeting is scheduled for November 22, 2004 to review the TIP amendments regarding SR 25 and the priority change for Concord Road improvements.

Jim Knapp mentioned that the next CPC meeting, scheduled for November 30, 2004, would have the first presentation of the Purdue/West Lafayette transportation plan amendment. He stated that they planned on presenting it to the Tech Committee at it's December meeting.

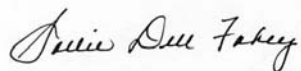

There was discussion of the US 231 timetable and the final field check, scheduled for December 15, 2004. The project is still on schedule with possible construction starting in 2006.

Lt. Jeanette Bennett moved to approve the minutes of October 20, 2004. Jim Knapp seconded and the motion passed by voice vote.
